Introduction

Bird in Bush School is an inclusive school offering equality of opportunity to all pupils within the school. We aim to provide a broad and varied range of experiences for the pupils. This may include trips, visits and the use of visiting groups. The Governing Body recognises the valuable contribution that a wide range of activities can make to a child's development.

1. Voluntary Contributions

When organising school trips, activities or visits to enrich the curriculum and the educational experience of the children, the school invites parents to contribute to the cost. These contributions are to enable an activity to take place and enhance the children's education. They will cover the cost incurred and not make a profit. Parents are under no obligation to make any contribution and pupils of parents who are unable or unwilling to contribute will not be discriminated against and will be included if the activity goes ahead. In the event of insufficient voluntary contributions being made the activity may have to be cancelled and refunds will be given.

2. Prohibition of Charges

Below we set out **what the school cannot charge for**:

2.1 Education

- Admission applications
- Education provided during school hours (including the supply of any materials, books, instruments or other equipment)
- Education provided outside school hours if it is part of:
 - The national curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school
 - Religious education
- Instrumental or vocal tuition, for pupils learning individually or in groups, unless the tuition is provided at the request of the pupil's parent
- Education provided on any trip as part of the National Curriculum
- Transporting pupils in connection with an educational trip

2.2 Transport

- Transporting registered pupils to or from the school premises, where the local authority has a statutory obligation to provide transport
- Transporting registered pupils to other premises where the governing board or local authority has arranged for pupils to be educated
- Transport that enables a pupil to meet an examination requirement when he or she has been prepared for that examination at the school
- Transport provided in connection with an educational visit

2.3 Residential visits

- Education provided on any visit that takes place during school hours
- Education provided on any visit that takes place outside school hours if it is part of the national curriculum and religious education

3. Where charges can be made

Below we set out **what the school can charge for**.

3.1 Education

- Any materials, books, instruments or equipment, where the child's parent wishes him or her to have
- Optional extras (see below)
- Music and vocal tuition, in limited circumstances
- Certain early years provision
- Community facilities

3.2 Optional extras

We are able to charge for activities known as 'optional extras'. In these cases, the school can charge for providing materials, books, instruments or equipment.

The following are optional extras:

- Education provided outside of school time that is not part of:
 - The national curriculum
 - Religious education
- Transport (other than transport that is required to take the pupil to school or to other premises where the local authority/governing board has arranged for the pupil to be provided with education)
- Board and lodging for a pupil on a residential visit
- Extended day services offered to pupils (such as breakfast clubs, after-school clubs, tea and supervised homework sessions)

When calculating the cost of optional extras, an amount may be included in relation to:

- Any materials, books, instruments or equipment provided in connection with the optional extra
- The cost of buildings and accommodation
- Non-teaching staff
- Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra)
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra

Any charge made in respect of individual pupils will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of pupils participating.

Any charge will not include an element of subsidy for any other pupils who wish to take part in the activity but whose parents are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those pupils who do not wish to participate.

Parental agreement is necessary for the provision of an optional extra which is to be charged for.

3.3 Music tuition

The school can charge for vocal or instrumental tuition provided either individually or to groups of pupils, provided that the tuition is provided at the request of the pupil's parent.

Charges may not exceed the cost of the provision, including the cost of the staff giving the tuition. Charges cannot be made:

- If the teaching is an essential part of the national curriculum
- If the teaching is provided under the first access to the Key Stage 2 instrumental and vocal tuition programme
- For a pupil who is looked after by a local authority

3.4 Residential visits

We can charge for board and lodging on residential visits, but the charge must not exceed the actual cost.

Parents who can prove they are in receipt of the following benefits may be exempt from paying the cost of board and lodging:

- Universal Credit in prescribed circumstances;⁶
- Income Support (IS);
- Income Based Jobseekers Allowance (IBJSA);
- support under part VI of the Immigration and Asylum Act 1999;
- Child Tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by Her Majesty's Revenue and Customs) does not exceed £16,190 (or varied by government annual review of income levels)
- the guaranteed element of State Pension Credit;
- any income related employment and support allowance that was introduced on 27 October 2008.

Exemption criteria above is aligned with eligibility for free school meals.

4. Voluntary contributions

As an exception to the requirements set out in section 5 of this policy, the school is able to ask for voluntary contributions from parents to fund activities during school hours which would not otherwise be possible.

Some activities for which the school may ask parents for voluntary contributions include:

There is no obligation for parents to make any contribution, and no child will be excluded from an activity if their parents are unwilling or unable to pay. If the school is unable to raise enough funds for an activity or visit, then it will be cancelled.

5. Remissions

The school may wish to reduce or remit charges to particular groups of pupils and may decide not to request voluntary contributions.

The school will make every effort to support a child's participation in an activity where parents are undergoing financial difficulties. Individual cases should be discussed in complete confidence with the Head Teacher.

Parents should speak in confidence to the Headteacher if they are experiencing any financial difficulties

In some circumstances the school may not charge for items or activities set out in sections 6 and 8 of this policy. This will be at the discretion of the governing board and will depend on the activity in question.

6. Monitoring arrangements

The Business Manager monitors charges and remissions, and ensures these comply with this policy. This policy will be reviewed every 3 years.
