

Bird in Bush School

School Values and Ethos including pupil code of conduct

Autumn Term 2023 onwards

The expectations of the pupils at Bird in Bush Primary School cover both inside and outside of the classroom. They are expected to follow our school and class rules through actions and behaviours that demonstrate the agreed code of conduct as proposed by the School Council:

- To be honest
- Refrain from behaving in a way that brings the school into disrepute, including when outside school
- In class, make it possible for all pupils to learn, respecting the feelings of others, and learning to sort out difficulties in a manner that upholds the Bird in Bush Code
- To co-operate with other pupils and staff following instructions
- Accept sanctions when given

Our school seeks to acknowledge these values and ethos through giving out lanyards that recognise the following attributes in our children (chosen and updated by the School Council)

Aspiration

Courage

Dedication

Integrity
