A diagram showing the four different types of mountains.

Year 6 Summer Unit: Our Interconnected World - A Three-Way Study of the UK, Spain and Jamaica - Physical Geography

Enquiry Question: What are the key similarities and differences between the UK, Spain and Jamaica in terms of physical geography?

Geographical Concepts: boundaries, cartography, climate, physical geography, resources

Primary Focus - Place Knowledge

In this unit, Year 6 will learn how to

- understand geographical similarities and differences through the study of human and **physical** geography of a region of the United Kingdom, a region in a European country, and a region within North or South America.

Secondary Focus - Geography Skills and Fieldwork

In this unit, Year 6 will learn how to

- use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied;
- use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world.

The Jamaican Blue Mountains

A map showing the different climate zones of the world.
